## KEYNOTE PRESENTATION: "SCHMOOZE'EM or LOSE'EM"

### THE MAGIC OF TREATING PEOPLE WELL

In this exciting and energetic presentation of magic, comedy, pick-pocketing and audience interaction, Devin inspires his audiences to practice kindness in their day-to-day interactions. As seventy percent of his bookings are from repeat clients, Devin shares how schmoozing has been the secret to his success as an entrepreneur and how this art can be adapted to help anyone become successful in whatever they do. Devin speaks to everyone from sales reps to entrepreneurs about how a genuine desire to treat people well and an ability to make positive impressions are ingredients for success. Devin stresses the point that success is simply a by-product of a lifestyle of generosity, a concept that applies to interactions with clients, co-workers, and family members.

- “ Devin presented our group with his program, “Schmooz'em or Lose'em.” To the delight of the audience, he had them laughing in their seats; moreover, Devin offered ideas on how to win over customers. **Sally Pritchett, Sales Support, Office Max** ”
- “ Devin kept us all entertained, amused, and actively listening to his schmoozing presentation. The response was fantastic!! I am hard-pressed to find other speakers as popular. I have already booked him as keynote speaker for another event. **Lynsey Flage, Vice President, American Advertising Federation of San Angelo, Texas** ”
- “ If more people could hear your Schmoozing presentation, good customer service would be a given and more people could live with a smile and a positive attitude! What a place this world would be!! **Annette Stithem, Associate Broker/Coach, Reece & Nichols Realtors** ”
- “ Our staff found Devin's presentation highly entertaining, motivational, and exciting. In our business, we are always looking for new ways to energize our people, and this was a great way to accomplish that goal. **Sam Mansker, GM and Co-Owner, Olathe Ford Lincoln Mercury** ”
- “ Devin captivated the audience with his in depth knowledge on the subject of schmoozing. The audience was entertained, energized, and anxious to start schmoozing. **Teresa Schmitz, President, Office Professionals League, JCCC** ”
